Classification of motorcycles into classes according to design and year of manufacture

- **PRE 65** - for motorcycles manufactured up to 1965.
- **Twinshock** - for motorcycles with an air-cooled engine and two rear shock absorbers.
- **Mono** - for motorcycles with an air-cooled engine manufactured up to 1991, with monoshock suspension, possibly with a disc brake.

Motorcycles with water-cooled engines will not be admitted to the competition.

Course

The lap is routed mostly off public roads, however, a short part of the transfers leads along a public road and across a railway track, where extreme caution must be exercised. The lap length is approximately 3.5 km and features 10 sections. Each rider completes three loops of each of the 10 sections per competition day.

The terrain consists of dirt, water, roots, logs, rocks, stones, ravines, steep climbs, and downhill.

Time limit

No overall time limit is set for the competition.

Event insurance

The competition is insured through the Slovak Motorcycle Federation (SMF) liability insurance covering third-party damage. Each rider takes part in the competition at their own risk and is required to have their own accident insurance.

Safety and rider movement

All riders are prohibited from riding their motorcycles outside the marked circuit and observed sections. Each rider is required to wear a protective helmet, gloves, and sturdy footwear whenever riding a motorcycle, including outside the observed sections.

Entry fee

- Adults: CZK 1,000 per day (EUR 40)
- Children up to and including 15 years of age, and riders aged 70 and over: CZK 500 per day (EUR 20)

The entry fee includes a voucher for one meal and one drink for each competition day.
